A fountain of healing power: Repair, prepare, celebrate!!!!

FCFT is an organic church where our slogan is:

“The Word and the Spirit ...Keepin’ it real!

Last week, who we are we, and what we saw in 2013.

2014: **We are now a real church with a sustainable base and a long reach. It is time to impact Tucson.**

**A Real Church:** Without pretense or artifice. Genuine, authentic, relating to practical everyday life. Not fake or fraudulent. Fundamental, essential fixed, permanent and immovable. The people of God striving together to follow God through His Word and His Spirit

**The Big Question:** What does a real church full of real disciples do to really impact a community and the world?

❖ We have a **plan** and a **process** for accomplishing the **purpose**

- An organic church grows from the root up. Our job is to plant and nurture. Identify, train, empower that which God places here.
- Our flow chart: (see flow chart)
- The primary purpose of the ministry is to equip the saints:
  - Vision/direction / Instruction and preparation
  - This year’s admonition:
    - Focused on the main thing. Don’t get caught up in controversy
    - Ez 3:9-27. Tell them!
- **Impacting Tucson:** A REAL Church prays: Eph 6:18-20
  - For believers
  - For the ministry

❖ FCFT prayer structure:

- Every member has someone praying for them daily:
- Two person teams are meeting around the city to agree over the needs every week.
- Someone is praying in the church for one hour every day.
- We have an email prayer chain for emergency situations.

- Rom 8:26 prayer Spirit-prayers are available for specific assignment.
- ❖ Why the big deal? Lk 18:1
- 1 Cor 5:1-5. Part of the blessing of being part of a local body is supposed to be having the saints watch each other’s back.
- I need you to pray for me: Col 4:2-4
  - Growing in the ability to fulfill the mission plan: 2020 is getting closer: multiply the plan.
  - A new anointing and a new flow:
- The saints to rise up and fulfill the will of God Col 4:12
  - Laborers rising up who can carry some of the load
  - Laborers to the harvest in the Tucson and beyond
- ❖ **Impacting Tucson:** “The Word and the Spirit, Keepin’ It Real...” In order to be real, it must start in the Spirit. It must be birthed by the Spirit in the spirit. It must be carried out in the power and anointing of the Spirit. Everything else is man’s program, man’s effort and man’s glory. Let the praying continue!!!!!!
